GMO HEAD TO HEAD CHALLENGE

A perpetual trophy has been established and will be awarded at the end of the competition.

Riders belonging to a USDF recognized GMO should list their affiliation and membership number on their entry forms. We will be tracking the highest scoring ride from Intro, Training and First Levels from each GMO, whether ridden by an Amateur, Junior or Open rider. The GMO with the highest average score will be awarded the trophy, which will be returned MMDSS at the end of the year.

2018 Great Lakes Regional Schooling Show Championships

A. MEMBERSHIP/REGISTRATION REQUIREMENTS FOR CHAMPIONSHIPS

Rider/Owner:

•Membership with USDF/USEF is not required. *The scores of riders who are members of a USDF recognized GMO will be included in the GMO HEAD TO HEAD CHALLENGE perpetual trophy.*

Horse:

•A horse is not required to have breed registry papers.

B. CHAMPIONSHIP ELIGIBILITY

1. Having won a GLRSS Championship three times, a horse/rider combination may no longer compete at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test.

C. QUALIFYING SYSTEM

1. To qualify for the GLRSS Championship, horse/rider combinations must earn a total of two qualifying scores at two different dressage schooling shows, from two different judges.
2. Proof of qualifying scores must be submitted with GLRSSC show entry. Include a copy of the front of the test, showing the judges signature and the score, as well as the score tape/sheet.
3. Qualifying class must be the highest or single test of the level. (i.e.: Intro C, Training Level 3, 1st Level 3, etc).
4. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify. Scores must be from two different judges at two different dressage schooling shows.
5. There is no limit on the number of horses on which a rider may qualify.
6. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, she/he must requalify.

D. MINIMUM QUALIFYING SCORES

GLRSSC will use the nationally-standardized qualifying scores as established by USEF/USDF for levels through Grand Prix, in three divisions: open, adult amateur and junior/young rider. Freestyle championships are offered in all three divisions.

The minimum percentages are as follows:

E. CHAMPIONSHIP RULES

1. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
2. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level.
3. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
4. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition. (A competitor is a junior rider until the end of the calendar year in which he or she reaches age eighteen, and a young rider until the end of the calendar year in which he or she reaches age 21.)
5. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash) An adjustable-length whip may not be carried by a mounted rider.
6. Under penalty of elimination, all championship tests must be ridden from memory.
7. Under penalty of disqualification from all championship classes for the horse/rider combination, at no time during, or 24 hours prior, to a GLRSS Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
8. In the event of a tie (equality of total points) for champion and/or reserve champion in championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the

higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eight places will remain unbroken.

9. Entries in GLRSSC dressage championship classes are limited to competitors who have met the qualifications and deadlines outlined herein. Competitors who are properly qualified, whose completed entries are received by the closing date for GLRSS Championship, and who have complied with all championship rules may not be denied entry into the Championship classes for which they have qualified. Only one class per division and/or level may be held to determine GLRSS champions.

10. Championships classes may not be split.

11. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.

F. ADDITIONAL RULES AND REQUIREMENTS

1. Awards ceremonies must be scheduled for each championship class.

2. A tentative schedule for the awards ceremonies must be printed in the "Show Program".

3. The confirmed schedule for the awards ceremonies must be posted in the show secretary's office by noon on the day prior to the beginning of the competition. If the posted awards schedule is changed, all affected competitors must be notified.

4. Riders placing in GLRSS Championship classes must be present, mounted and in full riding attire for awards ceremonies. Failure, without prior permission of the competition manager to be present and properly attired, will eliminate the official score and placing and the next highest score will move up in placing. For safety reasons competitors may decline to participate in the victory round. Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.

5. Specific requirements and penalties for failure to participate in prize-giving ceremonies must be announced in the prize list. It is recommended that saddlery for ceremonies be the same as in the competition, but that black or white leg bandages are allowed. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants.

6. Except in the case of an emergency requests to be excused from the awards ceremony must occur one hour before the scheduled ceremony. The requests must be made to the Awards Coordinator who must confer with the Competition Manager in the decision-making process.

G. PERSONNEL

2. Two people will be assigned to score each championship test, and results must be posted promptly.
